NOTE FOR: Chairman, NIC

SUBJECT: Soviet Pipeline

There appears to be lingering questions in the NSC Staff, particularly Roger Robinson, as to the Soviets' ability to meet its gas commitments to Europe. According to [redacted] Robinson feels we are missing the boat somewhat.

When Robinson returns from his vacation he will be contacting you and I suggest you have a session with him similar to the one you had with Carlucci to explain our position and facts surrounding the Soviet commitment of gas to Europe.
